

Flex Cable for Raspberry Pi Camera - 18" / 457mm

PRODUCT ID: 1730

. Description

This cable will let you swap out the stock 150mm long flex cable from a Raspberry Pi Camera (either 'classic' or 'NoIR' type) for a different size. Works great, just carefully open the connector on the Pi and slip this one in.

This cable is 18" / 457mm long We have cables in 2", 4", 8", 12", and 24" long so you can have the perfect fit. Each order comes with one cable, Pi Camera not included (but we have those in the shop as well).

. Technical Details
